

Activity 2: Credibility in the Digital Age Video & Mind Mapping

Watch the [Credibility in the Digital Age](#) video one more time. This time focus on what your ideal thought process should be when judging the credibility of online information. Write down your ideas below as you watch the film.

| When judging the credibility of online information... | | |
|--|---|--|
| <i>What questions should you ask yourself?</i> | <i>What things should you look for?</i> | <i>What should you do to check the credibility of information?</i> |
| | | |
